(Affiliated to S.N.D.T. Woman's University)

## Policy For Disabled Friendly Environment:

### Disability Support Facilities:

The Institute recognizes the importance of creating an environment of understanding and mutual respect to cater for the dignity and worth of each person, so that they contribute wholeheartedly to the development of Self, Institute, Society and Country at large.

The Institute focuses to promote equal rights and access to education for all those who are underprivileged with physical disability. It is apparent to the fact that despite a highly regulated and complex education framework of the nation, it should be easily available for the students with "special needs".

Furthermore, the Persons with Disabilities Act 1995 indicates that differently-abled persons should have access to education at all levels. In this view, the Institute has created Disability Support Facilities at SFI to provide access to the differently abled students of the Institute to varied programs, services, activities. Besides, the college also would encourage them for the highest levels of academic and personal achievement; and advocate an accessible environment for them. The policy has been devised to promote the holistic development of differently abled students. Also, the Institute strives to create accessory and homely ambience and facilities for the students. It takes care to nurture them right from helping them to seek admission till they pass out from the Institutes.

### Objectives:

- Students with disability will have equitable access and practical support to participate fully in the life of the Institute viz:
- Equal access to academics, co-curricular and extra-curricular activities.
- Equal access to all parts of buildings and facilities.
- Receiving information in easy accessible formats.
- Opportunities to make complaints and provide feedback.
- Opportunities for employment at the Institute.
- To facilitate the personal and professional growth of students with different abilities.
- To encourage them to participate in all the co-curricular and extra-curricular activities.
- To extend add on programs and skilling opportunities for them.

### Scope and Facilities available at the Institute:

1. Priority in admission
2. Concession in fees
3. Easy access to Classroom through lift
4. Ramps & Rails
5. Lifts
6. Disabled Friendly Washroom

## **ABOUT COLLEGE:**

SFI a fashion institute in Noida believes in the growth of students by making the process of learning by doing, not only developing their technical, motor skills and knowledge but also making them strong for the competitive environment of today's world's and is committed to the idea of enhancing purposeful education with human values and social responsibilities, finally, making developing students to a complete professional. There are four levels of study and each level is designed and balanced with theoretical and practical knowledge along with industrial exposure. Time management plays a vital role in the completion of the assignments and student learn this in SFI in day to day learning process.

This fashion Institute in NCR offers an outstanding learning environment for students by providing state of the art Infrastructure, facilities, course curriculum and teaching pedagogy.

All these are designed, in view of its commitment to achieve excellence in the field of fashion education and serve the fashion Industry by providing excellent trained manpower. SFI focuses on development of its students not only by imparting quality education in fashion technology but also in instilling a sense of self worth and discipline. Students get opportunities to participate in numerous co-curricular activities, on and off the campus, to realize their true worth and potential. SFI ensures visits to Industries and export houses to provide them practical training.

## **Differently abled (Divyangjan) friendliness resources available in the Institution**

The right to Education focuses on the need to have inclusive education, which means that educating students with learning difficulties and identified disabilities have the right to fulfillment of their educational needs. The College provides equal opportunities to all students of the University in congruence with the guidelines given by the State government.

### **Objectives:**

1. To ensure that students with disabilities get equal opportunities to explore their educational potentials.
2. To provide a nurturing and motivating environment for students with learning disabilities to accommodate their pedagogic needs.
3. To eradicate any kind of stigmatization and segregation so that they can become confident individuals.

### **Physical Facilities:**

The college provides special facilities for the differently- abled students and persons to provide them opportunities to acquire quality education and to bring them into the main stream of the

society. The college has a social responsibility and perception that differently-abled students should be respected and treated as a normal human being.

### 1. Wheel chair facility

### 2. Ramp/Rails:

The college has a special facility of ramp and rails for the differently-abled students. The main entrances and exits are clearly identifiable and easily accessible. It can accommodate wheelchair users.

### 3. Provision for the Lift

Parking for people with disabilities is available near the building. This is easily accessible to cross-disability groups equally. The doors should be wide enough to accommodate wheelchair users and the space inside is sufficient for them. Appropriate heights control panels and the large buttons are embossed.
