Feedback Analysis & Interpretation

Student Satisfaction Survey Report 2023-2024

An institutional survey for assessing students' satisfaction has been conducted by Satyam Fashion Institute, Noida for the academic year 2023- 2024.

The colleges' Infrastructure survey was based on the views on infrastructure like college canteen, laboratory facilities, medical facilities, security facilities, campus hygiene, placement facilities and sports facilities.

The survey was based on the teachers' preparation for classes convergence and opportunities available in the institute for learning, teachers' information about course and programme outcome, syllabus, method of illustration by the teachers, about concepts, teacher's encouragement to participate in extracurricular activities throughout the year.

The feedback was analysed with the help of software using some statistical tools and graphs.

FEEDBACK ANALYSIS

This survey will help us to improve the college facility, teaching methodology as well as overall curriculum aspects of the college as per the feedback from the students.

STRENGTH

- Over 70% of students attribute their academic and non-academic success to the excellent guidance provided by teachers, both inside and outside the classroom.
- Most of the students highlighted the punctuality of teachers and appreciated their willingness to invite opinions, questions, and feedback on subject matter.
- A majority of students expressed satisfaction with the use of computer-aided teaching aids, including handouts, suggested references, PowerPoint presentations, and web resources.
- Students are satisfied with the teacher paying special attention to academically low scoring/underperforming/struggling students.
- With the infrastructure and security facilities of the college students are well satisfied.
- Students are well satisfied with the assignments given to them.
- Most students are satisfied with the library facilities provided to them.

WEAKNESS

- Canteen food quality/variety needs to improve.
- Students have mentioned that the wifi facility in the campus needs to be improved.

OPPORTUNITIES

- Proper guest lectures are given by the industry experts.
- Visits to industries are well arranged from time to time for students' exposure.
- All the students are motivated to participate in various events of the college.
- Workshops are conducted regularly for students to enhance their learning process.

CHALLENGES

Students should be encouraged to engage more with e-learning and participate actively in extracurricular activities.

ACTIONS TAKEN

Based on the alumnus' feedback survey the following action has been initiated by the Satyam Fashion Institute, Noida.

- It has been observed that most students are partially satisfied with the canteen food. Therefore, a decision has been made to improve the variety of food options.
- Regarding the teachers' approach to teaching, most students rated it as excellent or very good, indicating that no further action is required.
- The fairness of internal evaluations meets the satisfaction of the students.
- Students are fully satisfied with the assignments provided to them.
- Most students strongly agreed that the institution provides ample opportunities for learning and future growth.
- The overall satisfaction of the students appears to be excellent.
