## Report

### "Martial Arts-Self Defense" workshop

The Women Cell of Satyam Fashion Institute (SFI) organized a "Martial Arts-Self Defense" workshop on January 24th and 25th, 2024, from 9:30 AM to 2:30 PM at the canteen area. This event was conducted in coordination with the Sports Cell and was open to students from SFI.

The workshop was facilitated by **Kick Fitness Academy**, featuring expert instructors including **Mr. Bhola Nath Sharma, a 5th Dan Black Belt**, and **Ms. Babita Sharma, a 2nd Dan Black Belt**, who is also an international coach and national referee. They provided live demonstrations of various martial arts techniques, showcasing their expertise in self-defense. In addition Mr. Manish Singh and Gold Medalist Ms. Naveen Kumar, who also contributed to the training by guiding students on martial arts techniques and self-defense strategies. The focus was on empowering students with skills to protect themselves against potential threats.

The workshop saw enthusiastic participation from all students, who engaged actively in learning self-defense techniques. The experts emphasized critical aspects of self-defense, ensuring that participants understood both the physical techniques and the mental preparedness required for real-life situations.

### Key Techniques Covered by the experts:

- **Basic Striking Techniques:** Participants learned fundamental punching and kicking techniques, which are crucial for defending oneself in hostile situations.
- **Blocking Techniques:** Instruction included how to effectively block attacks, helping students understand defensive maneuvers against common strikes.
- **Escape Techniques:** Specific strategies to escape from holds or grabs were demonstrated, focusing on how to break free from an assailant's grip.
- **Situational Awareness:** Emphasis was placed on recognizing potential threats and understanding the importance of being aware of one's surroundings to prevent confrontations.

- **Mental Preparedness:** The workshop also covered the psychological aspects of self-defense, encouraging participants to develop a mindset ready to respond assertively in dangerous situations.
- **Practical Application:** Students practiced these techniques in mock scenarios, allowing them to apply what they learned in a controlled environment, enhancing their confidence and readiness.

The event concluded with a felicitation ceremony led by **Dr. Vandna Jaglan, Principal of SFI,** and **Dr. Neetu Malhotra, Vice Principal of SFI.** Their presence underscored the importance of such initiatives in promoting safety and confidence among students.

This workshop not only equipped students with practical skills but also fostered a sense of community and support among participants, highlighting the essential role of self-defense training in personal safety education.

## Report

### "Awareness session on health and personal Hygiene"

Satyam fashion institute organized an awareness session focused on health and personal hygiene was conducted for the maintenance staff on March 21, 2024. The session aimed to educate participants about the importance of hygiene practices in their daily work and personal lives.

The session commenced at 2:30 PM with a brief introduction by Dr. Preeti Singh, who outlined the objectives of the meeting. Ms. Shivani then took the lead in presenting key topics related to personal hygiene, through presentation emphasizing the following points:

- **Impact of Unhygienic Practices:** The presenters discussed how poor hygiene can adversely affect health, especially for females. They highlighted that maintaining cleanliness is not only vital for individual health but also for the well-being of families.
- **Proper Washroom Maintenance:** It was emphasized that washrooms must be cleaned thoroughly and regularly. After cleaning, staff should sanitize themselves properly to prevent the spread of germs.
- **Recommended Cleaning Tools:** The presenters suggested various tools and products that can enhance cleaning efficiency and ensure a hygienic environment. This included disinfectants, gloves, and sanitizers.

Overall, the awareness session successfully raised consciousness about health and hygiene among maintenance staff, equipping them with essential knowledge and practical tips to implement in their daily routines.

## Report 28<sup>th</sup> July 2023

### Plantation Drive

Satyam Fashion Institute (SFI) organized a Plantation Drive on 28<sup>th</sup> July 2023 in the celebration of World Conservation Day. This initiative aimed to raise awareness among students about environmental conservation and the importance of tree planting in preserving our natural resources.

The event witnessed enthusiastic participation from the Bachelor of Design (B.Design) students, who played a pivotal role in the success of the drive. Their active involvement not only demonstrated their commitment to environmental issues but also fostered a sense of community and responsibility towards nature.

During the Plantation Drive, several key activities took place:  
**Tree Planting:** Students planted small plants into pots, symbolizing their pledge to enhance green cover and contribute positively to the environment. This act served as a tangible commitment to nurturing nature.

**Informative Discussions:** Engaging discussions were held between students and members of the Extension Cell regarding:

- The benefits of trees, including their ability to improve air quality.
- The role of trees in providing habitats for wildlife.
- Sustainable practices that can be adopted in daily life to support environmental conservation.

The Plantation Drive organized by Satyam Fashion Institute on World Conservation Day exemplified the institute's commitment to fostering environmental awareness among its students. By engaging B.Design students in tree planting activities, SFI not only contributed to enhancing local biodiversity but also instilled a sense of responsibility towards sustainable practices. Continued efforts in such initiatives will be essential for promoting a culture of environmental stewardship within the academic community.

### Report on World Environment Day

This year marks the 50th anniversary of World Environment Day, which will focus on solutions to plastic pollution, using the hashtag and slogan #BeatPlasticPollution.

Satyam Fashion Institute celebrated world environment day on 5<sup>th</sup> June 2023 with faculty members in offline mode and as well as with the students (online). As this year theme was focused on plastic so all the faculty members participated actively and created creative products which are made with old plastic bottles like earrings, planters, pen holders. Around 7 Students were also participated in the event through online mode and created products.

Plastic pollution and its detrimental impacts on health, the economy and the environment cannot be ignored. Urgent action is required. At the same time, we need true, effective and robust solutions. As part of several policies aimed at plastics, community at large are fully committed to reduce the production and consumption of single-use plastic, which can and must be replaced with durable and sustainable alternatives.

## Report

On 8th September 2023, Satyam Fashion Institute organized an inspiring Art and Craft Workshop at Bharatpuriya School, aiming to cultivate creativity, environmental awareness, and skill development among young students. The workshop, coordinated by Ms. Shivani and Mr. Nidhi Yadav, offered students a unique opportunity to explore artistic skills in a supportive environment.

### Objective of the workshop

Its primary objectives were to foster self-expression, enhance fine motor skills, and introduce sustainability concepts by encouraging students to reuse materials creatively. The workshop featured a variety of engaging activities tailored to different age groups of students, including painting, drawing, crafting with recycled materials. Each activity allowed students to experiment with new techniques and develop their skills under the guidance of the coordinators and volunteers from Satyam Fashion Institute.

With resources provided by the Institute, students had access to paints, brushes, recycled materials, and decorative supplies, ensuring that each child could fully participate. Students attended, showing enthusiasm and curiosity, and volunteers helped guide them through each project, encouraging creativity and hands-on learning. The feedback from students and school representatives was overwhelmingly positive; children expressed pride in their work, and teachers noted the educational value of the workshop in fostering creativity and confidence. Satyam Fashion Institute also distributed an art and craft kit to all the students who had participated in the workshop. The positive response has motivated Satyam Fashion Institute to plan similar future workshops and explore more collaborations with Bharatpuriya School.

Satyam Fashion Institute thanks Bharatpuriya School for its support, and special appreciation is extended to Ms. Shivani and Mr. Nidhi Yadav for their seamless coordination, which helped make the workshop an enjoyable, memorable experience for all involved.
