### REPORT

#### 'Communication skills for Design Field'

On July 28, 2023, Satyam Fashion Institute, Noida, organized a workshop titled "Communication Skills for Design Field," featuring industry expert Dr. Supriya Himanshu. The workshop aimed to enhance students' communication abilities, crucial for their success in the design industry.

**Objective:** The workshop on "*Communication Skills for the Design Field*" aims to empower designers with the ability to effectively articulate their ideas, concepts, and processes in a professional setting. Through interactive sessions, practical exercises, and expert insights, the workshop focuses on improving verbal, written, and non-verbal communication skills tailored to the unique needs of the design industry. Participants will learn techniques to present their designs persuasively, engage stakeholders, collaborate effectively in teams, and overcome communication barriers in remote or in-person environments.

**Outcome:** By the end of the workshop, participants will gain a comprehensive understanding of effective communication strategies specific to the design field. They will be able to confidently present their design rationale, foster better collaboration within teams, and enhance client relationships through clear and empathetic communication. Additionally, attendees will develop personalized action plans to implement these skills in real-world scenarios, leading to improved project outcomes and professional growth.

### REPORT

#### 'Creative Problem Solving'

On December 20, 2024, Satyam Fashion Institute, Noida, hosted a significant workshop titled "Creative Problem Solving," facilitated by Ms. Prachi Agarwal. This workshop was designed to enhance students' abilities in identifying and addressing challenges creatively, an essential skill in the dynamic field of design and beyond.

**Objective:** The workshop was to equip students with innovative problem-solving techniques that can be applied in various academic and professional scenarios. Through interactive sessions and practical exercises, participants engaged in activities that encouraged them to think critically and creatively. The workshop aimed not only to develop individual problem-solving skills but also to promote teamwork and collaboration among peers, allowing students to learn from each other's perspectives and experiences.

**Outcome:** Participants reported a significant increase in their confidence when approaching complex problems, as well as a deeper understanding of creative methodologies. Many students expressed appreciation for the hands-on activities that allowed them to practice these skills in real-time scenarios. Additionally, feedback indicated that the collaborative nature of the workshop fostered a sense of community among students, enhancing their ability to work effectively in teams. Overall, the "Creative Problem Solving" workshop successfully met its objectives by empowering students with valuable skills that will serve them well in their academic pursuits and future careers

### BRIEF INFORMATION ABOUT THE ACTIVITY

TOPIC/SUBJECT OF THE ACTIVITY	VASUDHAIVA KUTUMBAKAM
OBJECTIVES	The main aim of yoga is integrating the body, mind, and thoughts so as to work for good ends. Modern life style leads to diseases, which are mostly due to poor food habits, heavy daily routines and to air and water pollution in turn easily affect the human body.
METHODOLOGY	The tradition of guru and disciples has thousands of years of history in India. Gurukuls were considered as an abode of learning where rishi munis taught students. It is considered as a noble profession that requires a lot of skills as a teacher. It is not like teachers are made, but certain skills help them to elevate their skills, and a very

good teaching methodology can change the whole situation in the classroom. Yoga an ancient discipline in India; beyond yoga asana, pranayama, philosophy, meditation, pranayama, there is a lot more for students to learn about yoga teaching. When you join 200-hour yoga teacher training, you will learn about these topics, but once you graduate from your yoga training, the teaching methodology becomes an integral part of your teaching journey.
